

25. Supply equipment needed for use of house brand Product dispensing, such as coffee brewing systems, napkin dispensers, detergent dispensers, etc. Awarded Distributor must also include servicing options. **Agreed. Equipment is provided based on minimum volume requirements for products. Required velocity varies by product type. Please inquire for additional details.**

- **Coffee brewers for Mosaic and Gordon Choice coffee**
- **Juice dispensers for Harvest Valley 3.5 liter or 3 gallon concentrates**
- **Chemical dispensers for Array chemicals**
- **Folgers brand liquid roast equipment**

26. Meet each HPS Institution’s need for technological/computer support. **Agreed, for systems and technology provided directly by Awarded Distributor.**

27. Provide all products and services in accordance with applicable state and federal laws and regulations governing Federally-funded CN Programs and other applicable law, using sound, professional practices and in a competent and professional manner using knowledgeable, trained, and qualified personnel. **Agreed**

28. Provide opportunities to taste test products and menu options for staff and students. **Agreed**

29. Provide Professional Development opportunities for HPS Institutions’ CN staff that count toward the USDA Professional Standards in School Nutrition Programs. This could include, but is not limited to webinars, back-to-school shows, USDA food shows, new product previews, preparation techniques, food safety, allergies, and menu development. **Agreed, See Tab 4 GFS Professional Standards Training Opportunities, Food Service Training Topics**

30. Intentionally Omitted.

b. **USDA Foods:** Awarded Distributor must be able to provide USDA Foods year-round and without additional fees imposed on HPS Institutions for any special-order requirements. HPS Institutions must have access to commodity and commercial purchase history reports including balances and usage detail. USDA Commodity Products must be easily identified on the Awarded Distributor’s ordering system, indicating if Products are available at a commodity price or commercial price as in when entitlement is depleted or if Product was not diverted. Awarded Distributor’s failure to supply a specified USDA Commodity Product is subject to the “Substitutions” provision set forth in Section 4(l)(7), below. Commodity pricing must be either “net off invoice” (“NOI”), if permitted by the applicable State Department of Education or other State agency having jurisdiction, or “modified fee for service, Closed Sku NOI (CNOI), or Rebate.” Awarded Distributor’s programs must be able to integrate with K-12 and Processor Link verification systems. **Agreed (except as otherwise stated in GFS Cost Definition)**
