REQUEST FOR PROPOSAL

HPS BREAD & BAKERY PRODUCTS

A. WHO IS HPS?

HPS is a nonprofit organization comprised of 4,200 members and participants in Florida, Georgia, Illinois, Indiana, Kentucky, Michigan, Missouri, Ohio, Pennsylvania, Tennessee, Texas, West Virginia, North & South Carolina, Wisconsin, Maryland, Delaware, New Jersey, Virginia, Washington D.C., New York, Vermont, New Hampshire, Maine, Massachusetts, Rhode Island & Connecticut. HPS is owned by its members, all of which are governmental entities or nonprofit, 501(c)(3) tax-exempt organizations. HPS members and participants include numerous public and nonprofit school systems, as well as nonprofit health care provider institutions, various instrumentalities of government, and for-profit participant health care providers and other institutions.

As part of its portfolio, HPS maintains a Bread and Bakery Purchasing Program that is designed to allow eligible HPS members and participants to procure Bread, Bakery and related items at competitive prices in a manner that complies with current state and federal procurement laws, regulations, and guidelines, including for Child Nutrition Programs (“**CN Programs**”). More than 100 entities, in the healthcare and education segments currently participate in the HPS Bread & Bakery Products. Those entities make purchases averaging more than \$800,000.00 in the aggregate through the HPS program each fiscal year.

HPS carries on its activities through two separate, nonprofit entities. HPS, LLC, a Delaware nonprofit limited liability company, handles the recording and accounting related to purchasing activities of its tax-exempt, nonprofit and governmental member/owners, while a subsidiary corporation, HPS MI, Inc., handles the recording and accounting related to purchasing activities of for-profit participants. As used in this RFP and any resulting Master Group Agreement, “**HPS**” includes both HPS, LLC, a Delaware nonprofit limited liability company, and HPS MI, Inc., a Delaware nonprofit corporation, as their interests may appear.

B. SCOPE OF REQUEST.

This RFP solicits proposals to sell the product(s) or service(s) in the HPS **BREAD & BAKERY PRODUCTS** Program, for any area in the HPS footprint noted above, Geographic service area is not an exclusion from the RFP process. HPS will evaluate all proposals by geographic service area allowing each vendor to submit competitive proposals according to market conditions in each geographic service area they can service. Including without limitation the items listed on **Exhibit C (Bid List)**, (individually defined as “**Product**” and collectively defined as “**Products**”), directly to all HPS members and participants, both taxable and tax-exempt, located in the State (“**HPS Institutions**”). The HPS Institution breakdown, are set forth in the **Membership List** attached as **Exhibit A**. The Products include items covered by the National School Lunch Program and the other Child Nutrition Programs administered by the Food and Nutrition Service of the United States Department of Agriculture (“**USDA**”).

HPS makes this request on behalf of the HPS Institutions, Healthcare and non-healthcare members, including any School Food Authorities (“**SFAs**”) that operate USDA Child Nutrition Programs and that are or become HPS Institutions and enter into Individual Member/Participant Agreements (defined below) with the

successful vendor. If you are interested in submitting a proposal for consideration to HPS, please review and complete the requested information and submit your proposal in accordance with the terms and conditions of this Request for Proposal. If you would like the electronic versions of these documents, please contact Christina Costanza at ccostanza@hpsgpo.com.

Proposals, including the Excel version of Exhibit C in response to this RFP must be received at the HPS office, 3275 N. M-37 Highway, P.O. Box 247 Middleville, Michigan 49333 - Attention: Christina Costanza, no later than 5:00 PM EDT on April 15, 2021.

HPS anticipates making one award to a single organization that offers the most advantageous proposal best meeting the requirements of the HPS Institutions. However, HPS reserves the right to make multiple awards if it determines that would be in the best interest of the HPS Institutions.

The successful vendor and HPS will enter into a **Master Group Agreement** in substantially the form attached as **Exhibit B (“Master Group Agreement”)**. The Master Group Agreement will have an initial term of one year and will be renewable by HPS for up to two additional terms of one year each upon written notice given to the successful vendor before expiration of the then-current term.

HPS evaluates all proposals regardless of geographic coverage. Geographic service area is not an exclusion from the RFP process. HPS will evaluate all proposals by geographic service area allowing each vendor to submit competitive proposals according to market conditions in each geographic service area.

C. INSTRUCTIONS AND INFORMATION FOR RESPONDING VENDORS.

1. All proposals will be considered firm offers to sell the Products to HPS Institutions that will remain open to acceptance or rejection for a period of ninety (90) days from the closing time and date shown above for submittal of proposals. Any responding vendor may withdraw its proposal at any time before the stated closing time and date. Due to FOIA and other disclosure laws and regulations that apply to certain SFAs and other HPS Institutions, proposals that are submitted in response to this RFP may be subject to disclosure as matters of public record.
2. The sales aggregate volume figures shown above and collectively for **Exhibit C** are intended for the responding vendor’s own use as an aid in determining approximate quantities. HPS makes no guarantee, express or implied, as to the exact quantities of Products that will be purchased by HPS Institutions, and the successful vendor will be required to honor its pricing if volumes vary.
3. Each responding vendor must furnish all data, technical literature and samples that the HPS Food Service Administrative Advisory Committee may request in connection with its evaluation of vendor’s proposal. This includes, but is not limited to, the responding vendor’s completion of the questionnaire (which is **Appendix I** that is attached to this RFP).
4. The HPS School Food Purchasing Advisory Committee will evaluate proposals based upon the following factors, assigning to each factor the relative weight listed below:
 - a. Product List and Pricing Information ((Proposal of Material – (Bid List) , Exhibit C))...25
 - b. Financial Viability.....20
 - c. Regulatory Compliance.....20
 - d. Staffing Efficiency.....20

- e. Client Participation (Engagement and Satisfaction).....15

Each responding vendor’s score for Price will be calculated by applying the following formula:

$$\text{Price Score} = [25] \times \frac{\text{Exhibit C low bid}}{\text{Bid List Being Evaluated}}$$

HPS will award the contract, if at all, to the responsible vendor whose proposal is considered most advantageous to the SFAs and other HPS Institutions. HPS will not necessarily award the contract to the lowest-price vendor. HPS will notify the successful vendor by electronic mail to the email address set forth in the vendor’s proposal, with a duplicate copy deposited in the United States mail, certified, return receipt requested.

- 5. HPS reserves the right to accept or reject any and all proposals, in whole or in part (provided, that any rejection of all proposals must be for a sound, documented reason); to request additional information or prices from one or more responding vendors; to waive any irregularities in any proposal; or to allow responding vendors to update or correct any errors in any proposal. HPS also reserves the right to award the contract without discussion with any responding vendor.

- 6. To provide HPS with a standard format to analyze and evaluate each proposal, each responding vendor must complete its proposal in accordance with the instructions set forth below and the instructions set forth on **Exhibit C- Bid** and provide any additional items to offer the HPS Membership and any tiers based on drop size or any criteria determined by vendor, attached as **Exhibit C**:

- a. The responding vendor must be aware of the acceptable pricing mechanisms and comply with the following:
- b. Generally, HPS accepts the following types of pricing mechanisms: (i) firm pricing, and (ii) fixed fee pricing. HPS cannot accept any pricing mechanisms using “cost plus a percent of cost.” Any proposals submitted using cost plus a percent of cost mechanism will not be accepted.

c. **Products and Price:**

(1) The **Bid List** attached as **Exhibit C** represents the high volume Products purchased by HPS Institutions. The Products listed on the **Bid List** as set forth as **Exhibit C** below, must be quoted firm against any increase (firm priced) for each twelve month school year (July 1 - June 30), commencing on July 1, 2021, F.O.B. HPS Institution’s place of business unless otherwise noted on item #16 of the Terms and Conditions Informational Sheet and accepted by HPS in writing. After the initial twelve (12) month period, all successive price increases must be submitted to the HPS office a minimum of 30 days before the effective date and are subject to the approval of HPS prior to implementation. If manufacturers’ price increases only pertain to a specified geographic area, the successful vendor will only submit the price changes for the specified geographic area. HPS reserves the right to bill the successful vendor for costs incurred to notify HPS Institutions of any price increase that was not part of the originally agreed upon pricing term. In the event of a general market

decline for any Product after the initial six (12) month period, either (1) the successful vendor may reduce the price(s) to HPS Institutions to a level reflecting such general decline, or (2) HPS may renegotiate or terminate the Master Group Agreement.

- d. Each responding vendor must outline and describe any incentives that it will offer to the HPS Institutions, including but not limited to, the following:
 - i. Any incentives offered for accelerated payment terms;
 - ii. Any incentive based on the HPS Institution's average drop size;
 - iii. Any additional incentives that the vendor will offer the HPS Institutions.

Consistent with 7 CFR 210.21(f), 215.14a(d) and 220.16(e), any such incentives must be offered directly to the appropriate HPS Institutions, and in the case of an SFA, credited to the appropriate Nonprofit School Foodservice Account. HPS will not receive any discounts, rebates, or incentives in connection with this contract.

- e. This RFP allows for tier pricing based on volume and/or class of trade.
- f. Each responding vendor must provide a detailed map of its current service area (defined as a customer receiving at least weekly delivery on the vendor's distribution truck). Each responding vendor must also provide a separate list of HPS Institutions (specifically the member school districts) not eligible to participate in the Master Group Agreement.

Responding to instructions a. through h. in the order requested is imperative for the successful review of a responding vendor's proposal. Any omission or partial completion could result in rejection of the vendor's proposal.

D. GENERAL CONDITIONS.

1. **Master Group Agreement; Individual Member/Participant Agreements.** The successful vendor must enter into a Master Group Agreement with HPS in substantially the form attached as **Exhibit B**. After the contract has been awarded, the successful vendor must return a signed copy of the Master Group Agreement to HPS. The Master Group Agreement will be effective as of the date HPS accepts it. HPS will give the successful vendor written notice of the effective date of the Master Group Agreement.

HPS will not be a purchaser of the Products. Rather, each HPS Institution that wishes to purchase Products will enter into an agreement ("**Individual Member/Participant Agreement**") with the successful vendor. The individual HPS Institutions will place orders for Products directly with the successful vendor pursuant to the Individual Member/Participant Agreement at any time during the term of the Master Group Agreement, and the successful vendor will make delivery of Products to each HPS Institution at the address indicated on the individual order. The successful vendor will directly invoice the individual HPS Institution for Products purchased, and each HPS Institution will be solely responsible for payment of invoices covering Products ordered by, delivered to, and accepted by it. Any Individual Member/Participant Agreements will be consistent with, subordinate to and controlled by the Master Group Agreement in all respects. Any Individual Member/Participant Agreements will be deemed to incorporate by reference all the terms and conditions of the Master Group Agreement and this RFP, including all appendices and exhibits, and

will be subject to and bound by any renegotiation, modification, or termination of the Master Group Agreement by HPS; provided, that if the Master Group Agreement is terminated by HPS, an individual HPS Institution may elect to continue its existing Individual Member/Participant Agreement with the successful vendor pursuant to the existing terms and conditions of the Individual Member/Participant Agreement. If an individual HPS Institution elects to continue its Individual Member/Participant Agreement with the successful vendor, the individual HPS Institution will notify the vendor in writing of this election within 30 days of the termination of the Master Group Agreement by HPS.

2. **Storage.** The successful vendor must have sufficient storage capacity and distribution systems to make timely delivery of Products in sufficient quantities to handle the HPS Institutions' needs. If the successful vendor fails to comply with the preceding sentence, and if as a result of such failure HPS Institutions are forced to purchase Products elsewhere at higher prices for like Products, the successful vendor must reimburse the individual HPS Institutions the difference in price, as long as the Master Group Agreement is in effect and reasonable proof of purchase is presented to the vendor.
3. **Electronic Reports.** The successful vendor must furnish HPS monthly electronic statistical reports in .xls or .txt file format concerning the purchases of each HPS Institution made pursuant to the Master Group Agreement. Failure to do so will be grounds for HPS's immediate cancellation of the Master Group Agreement. The successful vendor also must furnish HPS with annual Product usage reports, by item, in descending dollar order. The successful vendor must pay HPS a recording fee equal to one tenth of one percent (.1%) of total sales of each HPS member
4. **Indemnification.** The successful vendor must indemnify and hold harmless HPS and the HPS Institutions, their officers, directors, managers, agents and employees from any and all liability or damages, including reasonable attorneys' fees and costs, that HPS or the HPS Institutions or their respective officers, directors, managers, agents or employees may suffer arising out of (a) the negligent or intentional act or omission of the successful vendor or any person for whom the successful vendor is responsible, or (b) any breach by the successful vendor of its obligations under the Master Group Agreement or any Individual Member/Participant Agreement.
5. **Insurance.** During the term of the Master Group Agreement, the successful vendor must maintain in full force and effect and at its sole cost and expense all necessary insurance, including but not limited to, the following:
 - a. Worker's Compensation insurance, meeting the requirements of state law, for all employees of the successful vendor performing any work attributable to its operations;
 - b. Commercial general liability insurance, including blanket contractual and completed operations coverage, with minimum limits of Five Million Dollars (\$5,000,000.00) as the combined single limit for each occurrence of bodily injury, personal injury and property damage; and
 - c. Vehicle liability insurance covering all owned, hired and non-owned vehicles in use by successful vendor, its employees and agents, with personal protection insurance and property protection insurance to comply with the provisions of state law with minimum limits of One Million Dollars (\$1,000,000.00) as the combined single limit for each occurrence for bodily injury and property damage.

6. **USDA Requirements.** The HPS Institutions include many SFAs that will use funds from their Nonprofit School Foodservice Accounts, including federal grant funding, to purchase the Products. SFAs are subject to the federal rules governing the management of grant funds from the USDA, including without limitation 2 CFR Part 200, and 7 CFR Parts 210, 215, 220, 225 and 226 including 2 CFR 200.318-326, Appendix to part 200, 7 CFR 250 and 7 CFR 210.21. Accordingly, the successful vendor and those SFAs that enter into Individual Member/Participant Agreements acknowledge that sales and purchases made pursuant to the HPS School Food Purchasing Program are subject to the following terms and conditions:
 - a. **Termination.** Any HPS Institution may terminate its Individual Member/Participant Agreement with the successful vendor, in whole or in part, at any time by written notice to the successful vendor stating the extent and effective date of termination. When the successful vendor receives notice of termination under the preceding sentence, the vendor must, unless otherwise directed by the HPS Institution, stop work and acquisition of materials under the contract. No later than thirty (30) days after the effective date of termination, vendor may submit to the HPS Institution its claim, if any, for reasonable compensation for termination. If the parties cannot agree within a reasonable time upon the amount of fair compensation for the termination, then the HPS Institution will pay to the successful vendor, without duplication, (1) the contract price for conforming Products that were completed and delivered or performed (as applicable) in accordance with the provisions of the contract and (2) the actual costs that the successful vendor incurred and that are properly allocable or apportionable under recognized commercial accounting practices to the terminated portion of the contract, but not to exceed the contract price for the terminated portion of the contract, less (a) any payments that the HPS Institution made and (b) the value to vendor of any raw materials, work-in-process and finished goods that vendor retains and that are allocable to the terminated portion of the contract under such practices. The HPS Institution will pay these amounts after vendor delivers to the HPS Institution any completed goods. If the HPS Institution made payments of the purchase price to vendor that in the aggregate exceed the total amounts payable by the HPS Institution to vendor under the preceding provisions, then vendor must promptly refund the excess to the HPS Institution.
 - b. **Dispute Resolution.** All parties must attempt to settle any dispute between them amicably in accordance with subsection 6.a above. To this end, the parties must consult and negotiate to reach a solution. However, nothing in this subsection 6.b will preclude any party from commencing a proceeding if the negotiations do not reach a resolution. All disputes arising out of a contract between a HPS Institution and the vendor under the HPS School Food Purchasing Program may be submitted by either party to arbitration to be administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (including the Emergency Interim Relief Procedures). The parties agree that with respect to disputes submitted to arbitration, the arbitration award will be final and binding, and that a judgment by any court of competent jurisdiction may be rendered on the award. The place of arbitration must be in the state where the HPS Institution is located, at a place convenient to the parties unless the arbitrator(s) designate some other location. All costs and expenses of the arbitration, including actual professional fees, must be allocated among the parties at the discretion of the arbitrator(s).
 - c. **Allowable Costs, Discounts, Etc.** Pursuant to 7 CFR 210.21(f)(1), any HPS Institution that is a SFA will pay for the allowable costs of Products from the SFA's Nonprofit School Foodservice

Account to the successful vendor net of all discounts, rebates and other applicable credits accruing to or received by the successful vendor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the SFA. The successful vendor must either (1) separately identify for each cost submitted for payment to the SFA the amount of that cost that is allowable (can be paid from the Nonprofit School Foodservice Account) and the amount that is unallowable (cannot be paid from the Nonprofit School Foodservice Account); or (2) exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification. The successful vendor's determination of its allowable costs must be made in compliance with the applicable USDA and Child Nutrition Program regulations and Office of Management and Budget cost circulars. The successful vendor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the SFA for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State Department of Education, the SFA may permit the successful vendor to report this information on a less frequent basis than monthly, but no less frequently than annually. The successful vendor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract. The successful vendor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the SFA, the State Department of Education, or the USDA, as applicable.

d. **Access to Records.** Upon request, the successful vendor must provide the HPS Institution, the USDA, the Inspectors General, the Comptroller General of the United States, and the applicable State Department of Education, or any of their duly authorized representatives, with (1) access to documents, papers, and records which are pertinent to the contract, in order to make audits, examinations, excerpts and transcripts, and (2) timely and reasonable access to the successful vendor's personnel for the purpose of interview and discussion related to such documents.

e. **Record Retention.** The successful vendor must retain all records with respect to a HPS Institution required under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200), for at least three years after the HPS Institution makes its final payments and all other pending matters are closed. Whenever practicable, the successful vendor should collect, transmit and store such records in open and machine readable formats rather than in closed formats or on paper.

f. **Environmental Protection; Recovered Materials.** To the extent applicable, the successful vendor must comply with all standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), as amended, as well as any mandatory standards and policies relating to energy efficiency which are contained in any state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871). Violations must be reported to the USDA and the Regional Office of the Environmental Protection Agency ("EPA"). Further, to the extent applicable, the successful vendor must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, including without limitation the establishment of an affirmative procurement program for procurement of recovered materials identified in the EPA Guidelines at 40 CFR Part 247.

g. **Equal Employment Opportunity.** To the extent applicable, the successful vendor must comply with Executive Order 11246, “Equal Employment Opportunity,” as amended, including amendments by E.O. 11375 and E.O. 13672, and as supplemented by regulations at 41 CFR Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

h. **Debarment and Suspension.** If the Master Group Agreement or any Individual Member/Participant Agreement is considered a “covered transaction” under the federal rules implementing Executive Order 12549, “Debarment and Suspension,” including the OMB Guidance in 2 CFR Part 180 and the USDA implementing regulations in 2 CFR Part 417, then each such Agreement will be deemed to include a term or condition requiring the successful vendor to comply with Subpart C of 2 CFR Part 180, as supplemented by Subpart C of 2 CFR Part 417, and further requiring the successful vendor to include a similar term or condition in all lower tier covered transactions. In addition, all responding vendors must submit a signed Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion in the form of the attached **Appendix A**. No contract will be made with parties listed on the Excluded Parties List System maintained as part of the federal System for Awards Management (“SAM”).

i. **Lobbying.** All responding vendors must submit a signed Certification Regarding Lobbying in the form of the attached **Appendix B**. Each tier certifies to the tier above that it will not use and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. All responding vendors must disclose any such lobbying activities by submitting a signed Disclosure of Lobbying Activities (Standard Form – LLL) in the form attached as **Appendix C**.

j. **Buy American.** 7 CFR 210.21(d) and 220.16(d), which implement Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998, require SFAs to use their Nonprofit School Foodservice Account funds to purchase domestic commodities or products to the maximum extent practicable. “Domestic commodity or product” means an agricultural commodity produced in the United States or a food product that is processed in the United States substantially using agricultural commodities produced in the United States. There is a two-part test to determine the country of origin for a processed end product: (1) The article must be processed in the United States or its territories; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components.

The successful vendor must certify the percentage of U.S. content in Products supplied to HPS Institutions. If a vendor is unable or unwilling to make such certification, HPS Institutions will not purchase from the vendor. **By signing and submitting a proposal, the responding vendor certifies that the Products it proposes to supply will be domestic commodities or products, as defined above, subject only to any exceptions approved pursuant to the next paragraph.**

Exceptions to the foregoing Buy American provision may be approved by HPS upon the responding vendor’s request, but only in extraordinary circumstances where the vendor, in its request for an exception, demonstrates either of the following:

- (1) The Product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
 - (2) Competitive proposal pricing reveals the cost of a domestic Product is significantly higher than the non-domestic Product (price information must be included in the request).
7. **Nondiscrimination.** The successful vendor must not discriminate against any employee or applicant for employment relating to the Master Group Agreement or any Individual Member/Participant Agreement with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law ("**Protected Characteristics**"). The successful vendor certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of Products or services. Breach of this paragraph may be regarded as a material breach of the Master Group Agreement.
 8. **Notices.** Any notices permitted or required to be given under the Master Group Agreement will be deemed given or made (a) upon personal delivery to the party to whom addressed, (b) on the day of delivery to a nationally recognized overnight courier service, (c) three days following deposit in the United States mail, certified, return receipt requested, or (d) upon sending by verifiable electronic mail. Notices permitted or required to be given under the Master Group Agreement to successful vendor must be addressed to successful vendor's address or email address as set forth in its proposal, and to HPS must be addressed to HPS's address as set forth in this RFP (attention: Christina Costanza) or to ccostanza@hpsgpo.com. A party may specify a different address by notice given in accordance with the terms of this Section.
 9. **Incorporation of Documents.** The provisions of this RFP (including without limitation these General Conditions and all appendices and exhibits, all of which are incorporated into this RFP by reference), the attached Terms and Conditions Informational Sheet, and the successful vendor's proposal will be considered part of the Master Group Agreement entered into between HPS and the successful vendor, if any. In case of any conflict or inconsistency among the foregoing, the Master Group Agreement will control, followed by the provisions of this RFP, the Terms and Conditions Informational Sheet, and then the successful vendor's proposal, in descending order of priority.
 10. **Governing Law.** This Request for Proposal, the Master Group Agreement, and any Individual Member/Participant Agreement will be construed and enforced in accordance with the laws of the State, without regard to conflict of law principles.
 11. **No Assignment.** The Master Group Agreement may not be assigned by the successful vendor without the prior written consent of HPS.
