Re: HPS Mid-Atlantic School Food Purchasing Program – Contract #546

On behalf of the HPS member school systems and other related entities, the HPS School Food Purchasing Advisory Committee sent out a Request for Proposal in 2022 for the HPS Mid-Atlantic School Food Purchasing Program to find a source that would provide the best overall value to HPS Members. The period this RFP covered was July 1, 2022, through June 30, 2023, with an option to renew for up to two additional terms of one year each - July 1, 2023, through June 30, 2024, and July 1, 2024, through June 30, 2025.

HPS Mid-Atlantic School Food Purchasing Program - First year extension (Second Term)
SY2023-2024

This memo is to inform you that the HPS School Food Purchasing Advisory Committee has exercised its option to renew for the contract year July 1, 2023 through June 30, 2024, with Gordon Food Service. HPS projects that, based on a weighted average of our Members actual usage, the impact of these changes for the HPS Mid-Atlantic School Food Purchasing Program will be an overall increase of **2.316%**.

Item Add Process:

The HPS Item Add process allows you to submit your requests for Gordon Food Service to stock **new** items at your GFS Distribution Center. The system will aggregate the request for all HPS Members. Requests for SY 24-25 will be accepted from May 1, 2023, until October 31, 2023. Of course, not every product request will make the list, but they will all be evaluated by the forecasted quantities and considered. We expect the list of accepted products by late January 10, 2024, because we know USDA Foods diversions need to be made for those eligible items. If you have questions, please see the attached timeline and contact your HPS Region Manager.
